

Sterrekind stralend als de zon  
door lucht en water heen  
verlicht je onze aarde

Intens verdrietig delen wij jullie mede dat wij plotseling afscheid moeten nemen van onze lieve zoon, stiefzoon, grote broer en kleinzoon

Oh they say people come  
They say people go

This particular diamond was extra special  
And though you might be gone  
And the world may not know  
Still I see you celestial

But when I'm cold, cold  
When I'm cold, cold  
There's a light that you give me  
When I'm in shadow  
There's a feeling you give me, an everglow

What I wouldn't give for just a moment to hold  
Yeah, I live for this feeling, this everglow  
So if you love someone, you should let them know  
Oh, the light that you left me will everglow

Everglow-Coldplay
