

A misty beach scene with wooden posts in the water. The background is a soft, hazy landscape of a beach and ocean. In the foreground, several weathered wooden posts of varying heights are scattered across the wet sand and shallow water. The overall atmosphere is serene and contemplative.

One night I dreamed I was walking
Along the beach with the Lord.

Many scenes from my life flashed across the sky.
In each scene I noticed footprints in the sand.

Sometimes there were two sets of footprints.
Other times there were one set of footprints.

This bothered me because I noticed that
During the low periods of my life when I was
Suffering from anguish, sorrow, or defeat,
I could see only one set of footprints,

So I said to the Lord, "You promised me,
Lord, that if I followed You,
You would walk with me always.

But I noticed that during the most trying periods
Of my life there have only been
One set of prints in the sand.

Why, When I have needed You most,
You have not been there for me?"

The Lord replied,
"The times when you have seen only one set of footprints
Is when I carried you."

It is with great sadness that we announce the passing of our wife, mother and grandmother.
